

## HOSPITAL SERVICES

Pharmaceutical Returns Service is dedicated to maximizing the value of returned pharmaceutical products while strictly adhering to evolving DEA & EPA regulations. With over four decades of industry expertise, our streamlined processes ensure hassle-free and straightforward pharmaceutical returns and destruction.

### AFFORDABLE

We take pride in offering the most cost-effective return service available. Despite escalating rates in the industry, we have kept consistently affordable pricing across our comprehensive range of offerings.

### ECO-FRIENDLY

At the heart of our operations lies a commitment to environmental responsibility. Our reverse distribution solutions not only optimize resources but also champion sustainability. By efficiently managing returns, we significantly reduce waste, contributing to a cleaner, healthier planet.

## 40 YEARS OF PROVIDING REVERSE DISTRIBUTION SERVICES

*Our primary focus continues to revolve around simplifying procedures and elevating profitability for our clients, fortifying our position as innovators in the Reverse Distribution Industry.*
